Bayside, CA

COURSE OVERVIEW

This course has been designed for nurses, physicians, social workers, psychologists, and other health professionals who have responsibilities for educating or training others either in staff development or as preceptors for students. It is for anyone that has a role in the education or training of staff. The course will focus on acquiring strategies and tools for teaching others how to prevent falls and techniques for problem behavior and dementia in their respective facility or agency. Faculty clinician-educators will work with you to custom design the training that fits your teaching style, time limitations, and learning needs of your staff.

COURSE OBJECTIVES

Participants should be able to:

- Describe Scope of Problem Behaviors & Dementia
- Identify Multifactorial Causes
- Assess and Prevent Falls in Each Setting
- Describe a Falls Prevention Model
- Incorporate JCAHO Safety Standards into daily practice
- Apply Principles of Adult Learning
- Develop a Teaching Plan

COURSE OUTLINE

Continental breakfast and lunch will be served each day.

Day 1: Thursday, May 20, 2010

Start time: 7:30 am

- Welcome and Overview Pre-Test
- Elements of Quality Teaching
- Epidemiology of Falls
- Best Practice Model
- Multifactorial Causes
- Gaps, Challenges and Obstacles
- Motivational Interviewing
- Preparing to Teach Adult Learners

End time: 4:30 pm

Day 2: Friday, May 21, 2010

Start time: 7:30 am

- Welcome and Overview
- Perspective from Joint Commission
- Environmental Issues & Dementia Patients
- Non-Pharmacologic Approaches to Problem Behaviors
- Integrative Discussion
- Teaching Adult Learners II

End time: 4:30 pm

Day 3: June 11, 2010

Start time: 7:30 am

- Welcome and Overview
- Application of Content and Principles
- Lesson Planning Lab
- Presentation and Consultation
- Action Plans and Summary

End time: 5:00 pm
