### SGEC 2012 Webinar Series Part II: TACKLING THE TOUGH TOPICS IN ETHNOGERIATRICS

Topics include

Emergency Preparedness, Pain Management, Cultural Humility, Behavior Complications and Dementia, Elder Abuse, HIV and Seniors  
Details coming soon @ <http://sgec.stanford.edu/events.html>

#### Desired Outcomes:

At the conclusion of this activity, participants should be able to:

- 1) Identify and apply best practices in each topic area to diagnose and treat patients;
- 2) Apply practical strategies for incorporating best practices with diverse older patients in their practice;
- 3) Demonstrate effective communication skills regarding best practices for low-literacy and language-diverse elders and their families.

The presentational method for this activity will be Lecture, Case Presentation, Panel, and Q&A period. The activity content is geared toward Physicians and other Primary Care Providers working with elders and their families from diverse cultural backgrounds. Other health and social service providers interested in the topics are also welcome to attend.

This activity will encompass the following desirable physician attributes: Patient Care, Professionalism, Medical Knowledge, and Inter-Personal and Communication Skills.

This activity has been planned and implemented in accordance with the Institute for Medical Quality and the California Medical Association's CME Accreditation Standards (IMQ/CMA) through the Joint Sponsorship of Natividad Medical Center and Stanford Geriatric Education Center. Natividad Medical Center is accredited by IMQ/CMA to provide continuing medical education for physicians. Natividad Medical Center takes responsibility for the content, quality and scientific integrity of this CME activity.

Natividad Medical Center designates each webinar activity for a maximum of 1.0 *AMA PRA Category 1 Credits*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This credit may also be applied to the CMA Certification in Continuing Medical Education.

\*This activity fulfills 1.0 hour toward the requirement for geriatric CME as stated in law AB1820.\*

Stanford Geriatric Education Center is accredited as a provider of continuing education for LCSW and MFT by California Board of Behavioral Sciences (Provider #4379) and designates each webinar for 1.0 CE credit.

Primary Care Associate Program, Stanford School of Medicine, is approved as a provider of continuing education for registered nurses by California State Board of Registered Nursing (Provider #01306) and designates each webinar 1.0 CEU contact hours.
