FEBRUARY 2012

ETP PSYCHIATRIC A

Building confidence managing the suicidal and aggressive client

Friday | Feb. 3

This course will focus on the challenging aspects of managing patients who present with suicidal ideation, behaviors, and hostile/aggressive behaviors. Strategies on how to evaluate for suicidality, potential for aggression, and appropriate interventions to minimize risk will be addressed. CEU Eligible

Instructors: *Caroline Haug, MSN, RN; Kindra Waluk, MSN/Ed, RN, CLNC*

ETP CARDIAC A

Interpreting and managing cardiac dysrhythmias

Monday | Feb. 6

Review common dysrhythmias including 12-lead interpretation, discuss nursing assessment and common interventions for ischemic and non-ischemic cardiac dysrhythmias, demonstrate competency using transcutaneous pacemaking. CEU Eligible

Instructors: *Jessica Howard, MSN/Ed, RN; Anna Henderson, RN*

ETP CARDIAC B

Managing the deteriorating cardiac client

Monday | Feb. 13

Discuss nursing management of acute chest pain in the rural in-patient setting, recognize interventions for right-sided versus left-sided heart failure and manage a Rapid Response situation and Code Blue cardiac arrest. CEU Eligible

Instructors: *Jessica Howard, MSN/Ed, RN; Anna Henderson, RN*

PEDIATRIC A

** Pending course scheduling **

College of the Redwoods approved by the California Board of Registered Nursing, Provider Number 12780

CEU FEE – A \$5.00 fee is due prior to each training if CEU credit is to be granted for that training. **Cancellation/Refunds** – Please provide a minimum of 24 hours notice if you cannot attend a training you have enrolled for. For paying attendees, no refunds will be given. This applies to no-shows as well. **Public Notice - Nondiscrimination:** College of the Redwoods does not discriminate on the basis of ethnicity, religion, age, gender, sexual orientation, color or disability in any of its programs or activities. College of the Redwoods is committed to providing reasonable accommodations for persons with disabilities. Upon request this publication will be made available in alternate formats.

MARCH 2012

ETP PSYCHIATRIC A

Building confidence managing the suicidal and aggressive client

Friday | March 9

This course will focus on the challenging aspects of managing patients who present with suicidal ideation, behaviors, and hostile/aggressive behaviors. Strategies on how to evaluate for suicidality, potential for aggression, and appropriate interventions to minimize risk will be addressed. CEU Eligible

Instructors: *Caroline Haug, MSN, RN; Kindra Waluk, MSN/Ed, RN, CLNC*

ETP RESPIRATORY B

Management of Trach care and Chest Tubes in the Deteriorating Respiratory Client

Wednesday | March 13

Manage and troubleshoot common complications with respiratory adjuncts (tracheostomy, chest tubes), recognize indications for and assist with chest tube insertion, and provide respiratory emergency management for the client in respiratory distress. CEU Eligible

Instructors: *Tina Woods, BSN, RN, CCRN; Kindra Waluk, MSN/Ed, RN, CLNC*

PEDIATRIC A

Managing the pediatric client with respiratory compromise.

Wednesday | March 20

This course will focus on the challenging aspects of managing pediatric patients who present with respiratory distress related to chronic respiratory disease and acute respiratory failure. Strategies on how to assess risk for respiratory compromise, potential for failure, and appropriate interventions to manage acute and emergent respiratory support will be addressed. CEU Eligible

Instructor: *Tina Woods, BSN, RN, CCRN*

ETP Psychiatric B

Holistic care for the substance abuse client

Friday | March 23

This course will address the key aspects of alcohol withdrawal, including, but not limited to, identifying signs and symptoms of acute alcohol intoxication and withdrawal, psychological and physical symptoms of withdrawal, best practices in managing symptoms and transitioning the patient to appropriate outpatient care. CEU Eligible

Instructor: *Caroline Haug, MSN, RN*
